**Tell the Story campaign** is off to a great

start! Over the past few years your church

family has encouraged and challenged you

to be intentional in building faith in your

home. This church is committed to re-

source you so that you may be intentional

in building your family's faith in the Lord.

As we begin a new year, we want you to

Tell the Story. We want you to share what

God has done for you and made a differ-

ence in your life. We need to be intention-

al about creating and taking advantage of

opportunities to share the good news with

others. To help you with telling the story,

we gave out some tools and resources on

Sunday. If you did not get these resources,

please stop by the Faith @Home Center to

pick up the "Tell the Story" guide that

gives you helpful suggestions and tools

that will help you in sharing the Gospel

story. We also have business card that you

can write three names down that you can

share your story of God's love with in

2018. We have an activity that families

can do by throwing a beach ball to each

other and when your thumb lands on a

particular color they read and discuss the

items and scriptures from the sheet that

comes with this activity. We also have

recipe cards that are good discussion start-

ers for families. You can pick up all

these resources and much more in the

Faith @Home Center. People need to

hear the Gospel Story of love, grace, mer-

cy, forgiveness and hope. Jesus tells us in

Mark 16:15, "Go into the world. Go eve-

rywhere and announce the Message of
