

“Victory Won – Reigning With Christ” – Karl Jones

Intro: Spiritual victory depends on us renewing, refueling, and being restored. With these, Scripture declares the most amazing truth – not only do we have forgiveness of all our sins and the promise of eternal life, but we will reign with Christ! For all who are in Christ, spiritual victory is certain. (Romans 8:35-39, 2 Cor. 2:14)

However, today we still live on the battlefield of spiritual warfare, but the outcome has already been decided. Christ and His followers win, and the New Testament ends with the assurance that all who follow Christ and live faithful to Him will share the victory of eternal life, but more, we will reign with Christ forever!
